

Don't miss out on the New URAR!

Expert Insights. In-Person or Online. At Your Convenience.

The Appraisal Institute's URAR Roadshow is heading to Connecticut, bringing appraisers the practical, hands-on education needed to navigate the redesigned Uniform Residential Appraisal Report (URAR). These exclusive companion courses help appraisers strengthen their skills and stay ahead of the new reporting standards. It's not too late to join us for these cutting-edge programs:

Supporting Adjustments and Reporting Sales Comparison Approach in the New URAR (Synchronous)

This three-hour program focuses on an effective manner of developing and supporting the sales comparison approach section of the new URAR.

November 6, 2025

9am-12pm EST

Register Now

Reporting Market Analysis and Better Understanding the New URAR (Synchronous)

This four-hour program provides practical guidance on completing residential lending assignments using the new URAR, emphasizing credible market analysis techniques for both newer and experienced appraisers as well as residential report reviewers.

November 6, 2025

1pm-5pm EST

Register Now

The URAR Roadshow delivers timely, relevant education to help appraisers adapt confidently to the future of residential appraisal practice. Don't miss your chance to advance your appraisal career today!
